VOLUME XLVIII

Foreword

The unmistakable theme of this volume is QUAKERLAND, patterned after well-known cartoonist and producer Walt Disney's DISNEYLAND. Although most students are usually unaware that the Delphian has a theme, we hope this year's theme is self-evident. Behind our theme lies the realization that although much of school activity seems to be make-believe, nevertheless it is serious preparation for the application of our skills and vocations in later life. We sincerely hope that this year's QUAKERLAND edition will provide many happy memories for your future reminiscence.

JOHN MURPHY
Editor-in-chief

The **Disneyland** theme is used by permission of Disneyland, Inc., Anaheim, California, and any commercial use of the drawings and material pertaining to this theme or to **Disneyland** is prohibited.

FRONTIERLAND

Many students, on returning to N.P.H.S. each fall, fear their new subjects, feeling they are facing a new frontier in learning which they will not be able to conquer. The teachers are learned explorers of these frontiers. They are as prepared to help the student as the frontiersman was to teach his son the ways of the wilderness. With these guiding hands, the student sees clearer the scope of his subjects. He overcomes his fears and finds interest and enjoyment. The faculty and administration have one thought in mind, and that is to help the students cross the new frontiers of learning.

TOMORROWLAND

For many, Tomorrowland exists only in fantasy, but for our teachers and students, it is here right now. In our classes sit the citizens of tomorrow, and how they are to meet the challenges of the space age is, in part, being determined now in schools across the land. One of our great educational leaders has said that the first economic basis of society was the ownership of land; the second, capital; and that now the economic basis of society is, and shall grow to be more and more, brainpower. He has further stated that the teachers of today cannot hope to teach the students how to meet the specific problems of the space age, since no one yet knows the shape of these problems; but rather that teachers must teach the students how to find out what they need to know. It is in this sense that tomorrow exists in our classrooms.

FANTASYLAND

In our school there are many extra-curricular activities, which may be considered as the fantasyland of our school-life. In this land of make-believe there are many experiences that prepare the students for future citizenship and for membership in clubs and organizations in what we may call real life. Our student government helps us understand and appreciate our national government's functions. The Y-Teens, Future Teachers of America, Future Nurses of America, Vocational-Industrial Club, and the others will help those pursuing vocations in business, teaching, nursing, and industry. These activities, although thought by many parents and students to be immaterial in high school, are really an important and essential part of school-life.

The purposes of the Senior Student Council are: to unify all student organizations under one general control, to aid the administration of the school, and to develop in the student a growing appreciation of membership in a democracy by providing educational responsibility in such a democracy in the school.

The members of the senior council are elected in the fall from the 10th, 11th, and 12th grade attendance rooms. A boy and a girl are chosen to represent each homeroom. The officers are elected the previous spring.

Every Tuesday after school this group met to try to devise methods for ironing out the numerous problems that confronted them concerning our school and its activities.

This year the council again conducted an election for a homecoming queen and court, supervised her crowning at the Ashland game at halftime and planned and decorated for a homecoming dance held in their honor at the Elks. The Dover parade was organized and a float was entered which, incidentally, won third prize. A mock presidential election was held for the entire school with the majority of votes being cast for Richard Nixon. A Christmas dance was planned and held in the gym. The problem of parking facilities was discussed and taken up with the city safety director. The council also donated several books to our school library.

This year's junior division student council played a great part in the activities of both junior and senior division. Cooperating with the senior division student council, they presented a Thanksgiving dance. Also, together they collaborated on a new idea for the election of the homecoming queen, attendants, and pages. This year, instead of each grade voting for all pages and attendants, the individual grades voted only for those running in their own class. All classes voted for the queen as usual. This system proved to be very effective.

Council activities which affected the junior division only were well organized. As well as devising a complete hall guard system, the council arranged and planned a Valentine and a Halloween dance. The organization and collection of sales tax stamps by the council each six weeks contributed much to the school. Also, at the end of every grading period, the list of honor roll students with a 3.5 or better average was posted. The council maintained school spirit by discussing the teenage code, which was established a few years ago.

The council was made up of 7th, 8th and 9th grade students elected by their homerooms. Two were chosen from each homeroom, one acting as alternate. The council met every Tuesday after school. These activities added up to a busy year for this group of students. The Junior Student Council is to be congratulated for a job well done.

The purpose of the Wm. A. Fishel chapter of the National Honor Society is to promote good scholarship, citizenship, leadership, character, and service to the school. This society tries to create an enthusiasm to improve scholarship through regular and faithful performances of academic work. It encourages a desire to render service to the school and community. Through self-evaluation the student learns his capacity for leadership. The members observe and practice the acts of others that develop strength of character.

The qualifications necessary to gain membership in the Fishel Chapter of this organization are to attain a 3.5 or better average during the year. It is open to students in the sophomore, junior and senior classes.

This year the club helped in the administration of study halls during the absence of a teacher and held an impressive induction for its new members.

The honor society and the school were quite proud that five of its members, Joe Rieker, Jim Brindel, Ralph Rapp, Tom Wilson, and Elizabeth Gibson, placed in the first ten in the county in the Ohio General Scholarship Test for seniors.

During February, a Valentine program and party were held at which Mrs. Carlisle, a beautician, was the guest speaker. During May, the club made baskets for the Childrens' Ward at Union Hospital.

Each year the Delphian Staff strives to put out a better book filled with pleasure and memories for its readers. This is accomplished through the experience of previous years, proper training, and teamwork.

Mr. Rieker, the adviser, is the staff's right-hand man. Without his aid the book would never get to the presses.

Each year at the beginning of the second semester, sophomore apprentices are chosen according ot their ability, attitude, teamwork, cooperation, and willingness to accept responsibility. They observe the staff as it works and help when they are needed. Their main task is to count tax stamps.

After his apprenticeship each sophomore is chosen to assist in the department in which he is best suited. Here, when juniors, they learn the tricks of the trade from that department's chief and assist him in his work.

When their senior year rolls around, they are well prepared to meet the demands for their class yearbook and leave that year with a storehouse of memories full of hard work, fun, and satisfaction.

The annual projects of the staff are to collect tax stamps, sell individual underclass pictures, and operate the coat check at the basketball games. At the end of the year the great rivals, the Delphian Staff and the Central News Staff, clash in a ball game and unite in a picnic, with the result of gaiety, laughter, and memories of hard work well done.

The Central News

The Central News Staff is one of the busiest and hardest working organizations of the school. The staff's purpose is to interpret the news of the school for the school, its friends and patrons.

Members of the paper's staff are chosen from the upper tenth of their class and for their willingness to serve. Reporters are chosen from the freshman class. Reporters may advance to become star reporters or editors, advancing according to their ability in journalism and willingness to accept responsibility. The result of their training and hard work is a newspaper published every three weeks for the enjoyment and satisfaction of its readers. Staff members meet every first period to plan, organize, receive their assignments, make interviews, compile and write the articles that make the paper. In addition to putting out the school paper, the staff members write the Quaker Highlights for The Daily Times.

The staff enjoyed a Christmas pizza party and an annual Central News - Delphian picnic.

The Central News is a member of the National Scholastic Press Association and has won numerous awards.

Central News Typists

These seven girls with the aid of Mrs. Hodder, their adviser, are responsible for all the typing and mimeographing for the Central News. They are chosen according to their neatness, accuracy, dependability, and speed in typing. Their job consists of typing from the Central News Staff's rough drafts, cutting stencils, and mimeographing the pages. The pages are then given to the staff to be assembled and distributed. Although the typists are constantly being harassed by deadlines, they do a fine job and always manage to finish on time. This kind of experience may prove valuable to them in the future.

For the student who is contemplating a career in teaching, even vaguely, the organization to join to help him decide is the Future Teachers of America. Through experience, gained in teaching and disciplining other students by taking over the classes of teachers who are absent in the high school and grade schools, members of the F.T.A. can get a taste of teaching.

The club is open to any junior or senior who has at least a 2.0 average.

This year, Mr. Force, the superintendent, talked with the group; many members ushered at open house; and a banquet, in honor of the seniors, was held at the end of the year.

The purposes of the French Club are: (1) to attain a certain understanding of the culture and intellectual development of the French people that is not possible to get in the classroom, (2) to spur social rapport with French and our everyday life, (3) to have a social outlet, and (4) to enlarge the club members' French vocabulary through conversation. The French club is open to all students of French who pay their dues.

Although the French club is only two years old, it has been very successful in its membership and activities. The new members are initiated by having to wear green bows and giving a stunt at the meeting. The new recruits were watched and judged in a kangaroo court and penalized for failure to fulfill the qualifications that the judges thought were proper. The club had a hayride, an exhibit in the Science Fair for which they made posters depicting the use of the French vocabulary, and a senior salute at the end of the year.

In Spanish Club the programs and meetings are planned so that the members of the club learn of the habits and customs of the Spanish-speaking people through speakers who have traveled or lived in a Spanish country and movies on the lives of these people. The purpose is to create more of an interest in the students who are studying the language and to undertake a few of the things not possible during class time.

This year the club entered a float in the Beat Dover Parade, had two speakers who had traveled in Spain and another from Puerto Rico, held a Christmas party at which they ice skated and broke the pinata, held a dance in the cafeteria, a costume party, and had an exhibit in the Science Fair.

The Vocational Industrial Club is a state-wide organization formed by the students in the public schools. Our local chapter is made up of Vocational Machine Shop and Vocational Auto Shop students.

The purposes of V.I.C. are: to unite in a common bond the students enrolled in trade and industrial classes throughout the state; to provide opportunities for the development of leadership in civic, social, and educational pursuits; to promote high standards of workmanship.

This year the V.I.C. built the bonfire for the Beat Dover Parade, held a Halloween Party for new members, sold pop or cider at all activities and basketball games held in the gym, and held a Father-Son Banquet. A Faculty-Shop Boys basketball game was played and to the disappointment of the students, the teachers won again by a score of 68-45.

The New Philadelphia Chapter of V.I.C. was elected to represent the State V.I.C. at the Ohio State Fair. Don Warner, John Kilchenman, Monte Freshwater, and Paul Elliott demonstrated lathe work there.

Vice President of the State V.I.C. is Don Warner. He was elected at the spring convention at Columbus.

Mike Rogers and Wendall Shaffer were elected to visit the state capitol with an Ohio V.I.C. group.

In a state-wide competition at the Spring Conference, Jim Ringler won a bronze medal in the Extemporaneous Speaking Contest; Bill Meese won a silver medal in the Job Application Contest; and our local club won the top gold medal in the Award of Merit Contest.

The club activities are ended each year with a trip for the seniors. This year they went to Detroit, Michigan, for four days with the money earned during the year.

It is their duty to take tickets, hand out programs, and seat the audiences for various school performances and functions. This year they ushered for the Senior Class Play, Baccalaureate, and Commencement exercises. Mr. Fishel treated the senior ushers to a dinner. This is an annual custom.

The Stage Crew

The stage crew is a group of reliable, quick-thinking boys who deserve much praise and appreciation for the excellent job they do during assemblies. Not only must they be reliable when called upon to pull curtains correctly, but they also have the task of learning the correct operation of the lighting system in the auditorium and gym.

Drum Majorettes

STANDING—Virginia Vermillion, Head Majorette Sandy Winkler, Quaker Girl Vicki Graff, Nancy Olmstead, Sue Schoelles

KNEELING—Shirley Walker, Gloria Kinsey

Each year in the spring, after the older majorettes train them, new majorettes are chosen from the ninth grade girls who try out, to replace the seniors who will be leaving.

The majorettes did an exceptional job of performing this year. They marched to the stadium with the band, in the Veterans' Day Parade, and in the Dover-Philly Parade. They demonstrated their twirling, strutting, and dancing routines at half-time at he football games, often adding something to their costumes to further carry out the band's theme. They also did two things that had not been done before. They danced at the half-time of the Dover-Philly basketball game and danced again at a pep rally.

Drum Majors

Strutting through another season, this year's head drum major, Dale Hawk, led the band in parades. He also performed during the half-time shows at the football games. His assistant, Mike Davis, also displayed a fine job of leadership and will in 1963 take Dale's position as head drum major. Both added much to the success of the band's appearances.

This year they also marched in the Beat Dover Parade and played appropriate numbers at the bonfire which followed. This group should be highly commended for their contribution of sportsmanship and school spirit to the school.

The choir performed for the Patron's concert, Parents' Night, the Methodist Church, and Baccalaureate. Mr. Banks learns that one of the young men seen occasionally around the house is about to become his son-in-law. Daughter Kay announces the engagement out of a clear sky. Mrs. Banks and the two boys are happy, but Banks is in a dither. The groom-to-be, Buckley Dunstan, appears and Banks realizes the engagement is serious. Buckley and Kay don't want a "big" wedding, just a simple affair with a few friends! We soon learn, however, that the "few" friends idea is out! Trouble really begins. Mrs. Banks, the boys and the girl friend of one of them, even Banks himself, make up their own lists of guests who must be invited. Mrs. Banks just won't be satisfied with lemonade and sandwiches!

A professional caterer is called in: professional florists, furniture movers, dressmakers and the rest take over. Banks' secretary takes charge of the lists of friends and relatives who just can't be left out. Banks' terror over the costs mounts in a crescendo, as the lists grow. The house won't hold all the people listed, since everyone secretly tampers with the card file.

Kay, in a fit of temper, calls off the wedding and Buckley leaves in despair, having himself forgotten to turn in an extra list of guests made up by his family. Of course, the lovers' quarrel is patched up and preparations for the wedding proceed. The floor has been cleared for action, all of which is presented in a smooth, fun-packed performance marked by fine acting and excellent direction.

ADVENTURELAND

Without athletics, school life would be much less adventurous and exciting. Yes, our sports events are the Adventureland of our school. Competing with other schools in hard, clean rivalry gives our boys a sense of fair play and team work which usually stays with them for the rest of their lives. We can be proud of our coaches and players alike. The Quakers have always set high goals and with the aid of expert coaching and good school spirit have almost always succeeded in establishing a good record. The athletic success of our years in the past has helped to bring the whole student body closer together and has set a goal for the future athletes of N.P.H.S. The students should always remember to give their full support to their teams as they seek good fortune in the Adventureland of sport.

WILLIAM KIDD — Completing a current tenure of 14 years as head football coach (the longest in the school's history) Coach Kidd ends with a fine record of 82 wins, 48 losses, and 8 ties. Mr. Kidd, widely held in high regard in his profession, was coach of the South All-Stars in 1953 and 1954. In 1956 he was elected president of the Ohio High School Football Coaches Association, of which he also served as director for many years. He is a fine coach and his familiar figure will be missed at the football games next year. Mr. Kidd also teaches gym and health and is athletic director.

RALPH GARTRELL — Completing his second straight year in his current term of coaching at N.P.H.S., Mr. Gartrell was the only assistant football coach, and was head track coach. He also coached the reserve basketball team. He did a great job with all of these teams and under him the boys learned a lot.

Although the Quakers did not have a good season, record wise, as they have usually had in the past, they provided the fans with much excitement and many memories. Playing larger and more experienced teams, the Phils wound up with a record of 2 wins, 7 losses, and 1 tie. Injuries also hindered the Quakers this year as several of the key players were out for a great part of the season. However, the boys never gave up, and under their fine coaching staff, played fine football.

Following

NPHS — 6 COLUMBUS EAST — 14

Columbus East spoiled the opening game of the season by defeating the Quakers 14 to 6. Although Phila. outgained East on the ground, our leaky pass defense was taken advantage of as East scored both touchdowns through the air. An 81 yard run by Harold Edwards was the Quakers' only score.

NPHS — 27 BARNESVILLE — 0

Three touchdowns in the first quarter on several long runs by Frank Duda and Tim Richards and an outstanding job by the Quaker defense enabled the team to crush Barnesville 27 to 0. Controlling the game the whole way through, the Quakers won their first game of the year.

NPHS — 13 EAST LIVERPOOL — 36

Their second defeat of the season was handed to the Quakers by the East Liverpool Potters. Gaining only 15 net yards in the first half and giving the Potters 30 points in the first half, the Quakers came back to outscore East Liverpool 13-6 in the second half as Bob Snyder scored two touchdowns.

NPHS — 6 WOOSTER — 28

Playing surpisingly well in the first half against the undefeated Wooster Generals, the Quakers found themselves behind only 8 to 6. The second half was a different story, however, as Wooster scored three touchdowns and held the Quakers scoreless.

Bob Snyder, subbing for injured Frank Duda, and John Morgan, subbing for Tim Richards, had several long runs.

NPHS — 12 ASHLAND — 12

The Ashland Arrows marred the Homecoming game for the Quakers by coming up with two quick touchdowns in the last half. The Phils picked up a score in the first half and led 6 to 0. Getting another in the third quarter; the Quakers led 12-6 until the last 25 seconds of the game when Ashland pushed across its second touchdown.

NPHS — 13 CANTON LINCOLN — 16

Running out of gas in the last half for the third straight time, the Quakers threw away a 13-0 halftime lead. The Quakers ran rings around the Lions in the first half, but the second was a different story as Lincoln came up with two TD's in the fourth quarter. Tim Richards scored both Phila. touchdowns.

NPHS — 7 BELLAIRE — 20

Getting off to a fast lead, and holding the lead 7-6 at the half, the Quakers let the Big Red overtake them by allowing two touchdowns.

NPHS — 14 UHRICHSVILLE — 0

The Quakers come up with their second win of the season by downing the Uhrichsville Tigers 14 to 0. Leading 7 to 0 at halftime, the Phils did not break down in the second half as in previous games, but came back to score another touchdown and hold the Tigers scoreless.

NPHS — 8 CUYAHOGA FALLS — 20

Playing very well in the second half against a strong Cuyahoga Falls team, the Quakers managed to partly overcome the 20 to 0 lead Falls had at halftime. Completely dominating play in the second half, the Quakers "warmed up" for their yearly game with Dover.

NPHS — 0 DOVER — 8

The Quakers had a hard time with rival Dover this year. Giving up a TD early in the game, the Phils never gained it back. Although they were close several times in the second half, they couldn't come up with the right play at the right time. It was a good game and the boys fought hard all the way.

Varsity Basketball

ROW 2—Coach Leo Benjamin, John Eichel, Jerry Polka, Richard Ray, Jerry Smith, Dutch Haupert, Don Murphy, Terry Polka

ROW 1—Ron Miller, Leland Ervin, Jack Cargnel, Jim Hency

This year the Quaker basketball team was known as the "comeback kids". After winning only 2 out of their first 10 games, the Phils came back to win 8 out of their last 11 games and advance to the district tournament, where they were beaten by a touted Cambridge team. Thus the team finished with a respectable record of 10 wins and 11 defeats.

This was a real hard-fighting team which came from behind to win many games. It was led by seniors Don Murphy and Jerry Polka, and junior Jerry Smith.

LEO BENJAMIN — Leo Benjamin served as head basketball coach this year. Under his fine coaching, this year's basketball team came back to win 8 of its last 11 games. Coach Benjamin has proved his coaching ability for many years and is highly respected throughout the state.

Quaker Court Capers

N. P. H. S. — 45 CAMBRIDGE — 62

The first game of the season proved to be a rough one for the Quakers as they were downed by Cambridge 62-45. The Phils got off to a fast lead, but because of turnovers could not hold it. The Bobcats rallied to take over the lead in the second quarter and went on to win the game. Don Murphy and Dutch Haupert were high for the Quakers with 11 points each.

N. P. H. S. — 44 MARTINS FERRY — 57

The Quakers found the going rough in the first half against tall and highly-rated Martins Ferry. However, in the third quarter they came alive and cut the large Martins Ferry margin to 6 points, but Martins Ferry came back with four straight points and went on to win. Smith led the Quakers with 13 points.

N. P. H. S. — 53 CANTON LEHMAN — 49

The Quakers made good their first home game by downing the Canton Lehman Polar Bears 53-49. It was a see-saw battle all the way with the lead changing some 10 times. The Quakers, pulling away to a small lead in the last quarter, managed to hang on and win. Smith and Murphy led the Phils with 19 and 13 points.

N. P. H. S. — 44 ZANESVILLE — 66

Playing against a much taller Zanesville team, the Quakers were defeated 66-44. After getting off to a good start, New Phila. fell behind and stayed there the rest of the game. Jerry Smith and Don Murphy led the Phils with 14 points each.

N. P. H. S. — 55 ALLIANCE — 68

After playing Alliance on even terms for three quarters, the Quakers fell behind and lost to the powerful Aviators in the fourth. Jerry Smith, playing against his former team-mates, led the Quakers with 25 points.

N. P. H. S. — 39 DOVER — 57

After playing on even terms with the Tornadoes in the first half, the Quakers, losing Jerry Smith and Don Murphy, bogged down in the second half. Dover, playing with the home court advantage, ran away with the game after this. Smith and Murphy led the Phils with 14 and 10 points each.

N. P. H. S. — 44 UHRICHSVILLE — 72

Playing without the services of Jerry Smith, the Quakers were beaten by Uhrichsville for the first time in eight years. Getting off to a slow start, the boys were never able to catch the red-hot Tigers. Jerry Polka and Rich Ray led the team with 15 and 12 points each.

N. P. H. S — 48 SANDY VALLEY — 53

The Phils, getting off to a bad start, caught up with the touted Sandy Valley Cardinals, but failed to come up with the big bucket in the final seconds. Personal fouls hurt the Quakers as they outgoaled their opponents 20 to 17 but had too few points from the foul line. Smith and Polka led the team with 17 and 15 points, respectively.

N. P. H. S. — 48 NORTH CANTON — 47

With Don Murphy connecting on a foul shot with six seconds left and the score tied 47-47, the Quakers upset North Canton. The lead switched hands many times but a determined effort in the last quarter by the Phils pulled the game out. It was the second win of the season for the Quakers who were led by Smith's 17 points and Polka's 14.

N. P. H. S. — 60 BRDIGEPORT — 62

The Quakers failed in their first overtime game by the tune of 62-60. Having a poor first half, the Quakers rallied to tie the score 56 all at the end of the game, but Bridgeport came through in the overtime. Smith and Murphy were the big men with 30 and 10 points each.

left, top to bottom:
Murphy drives for layup. Polka goes for rebound. Smitty scores.

Cheerleaders

Mary Ann Stempfly, Carol Heller, Madge Phillips, Carol Gracik, Betty Libertore

The cheerleaders are always boosting the morale of the team and the students. Their flashy posters in the halls and their lively cheers at pep rallies and during the basketball and football games had a great influence on the whole school. They performed exceptionally well and they should be commended for their efforts.

MAIN STREET

This small, but important, section of our yearbook is prepared to remind and relate to us the outstanding happenings of our school year. The highlights of the 1960-61 year will never be forgotten by many. Here we find faces from Frontierland and Tomorrowland and happy memories from Fantasyland and Adventureland. Who can forget the Science Fairs where our scholastic ability was shown, the great sports years in which we displayed our athletic ability, or the Jamborees and the class plays that have provided excellent high school entertainment for all the students?

The high school, the largest single enterprise in our city — larger than any one business or industry—is in many ways the Main Street of our community, reaching out to touch, and gathering in to one center, nearly all phases of community life. Certainly it has been the Main Street—the main element—in the lives of cur students throughout their years of school.

Hi, Guys and Gals of Quakerland!

On September 6, 289 eager students began their high school careers and 1171 upperclassmen made their annual return to the halls of N.P.H.S. They were greeted by the faculty, which included a new teacher, Mrs. Elizabeth Coutts. During the summer, our modern music department had been completed in the old Welty gym area. The new department includes a band-orchestra room, choir room, practice rooms, and offices. From the first day of school some anxious individuals were looking forward to the first vacation of the year, a teachers' meeting, which finally came on October 28.

Our football season began on September 16 with the Columbus East game. The Quaker Girl, Vicki Graff, was capped at halftime by last year's head majorette, Mrs. John Carpenter, the former Carolyn Bailey, and the new head majorette Sandy Winkler, was introduced.

This year's homecoming activities took place October 14 when the queen, Lynda Lukens, was crowned. Pictured on pages 69 and 70, she and her attendants and pages were honored at the Homecoming Dance following the game.

Beat Dover Week, November 14-18, was one of great anticipation, climaxed by the Beat-Dover Parade, snake dance, and bonfire on Thursday, the 17th. The Junior Class float won first prize with its theme "Philly Is Expecting A Victory."

During halftime of the big game the marching band, under the direction of Mr. Bliss, completed a season of band shows by giving an excellent performance entitled "Show Business."

Andy Duda, a senior fullback, was chosen All-Quaker for the 1960 football season in a poll conducted by the Central News. Congratulations, Andy!

With each couple wearing matching sweaters, senior high students attended the annual Tri-Hi-Y Sweater Hop, held the evening before Thanksgiving. Johnny Andrews was the disc jockey for the dance, which had for its theme "Harvest Haven." Meanwhile, the freshmen danced at the Youth Center, with couples wearing matching socks.

The juniors entertained the students on December 15 with their Jamboree, "Juniors' Christmas." Mr. Sundheimer, a Junior Class adviser, added to the fun by impersonating Santa Claus.

In a special assembly held in our gym on December 20, the a cappella choir sang "The Christmas Story." All attending enjoyed the performance. The students were dismissed for the holidays.

After the welcomed vacation, classes began January 2. Most of the ensuing month was spent in study for exams given January 26 and 27. On January 30 the a cappella choir traveled to Massillon for the annual Choir Workshop in which five choirs participated. The guest conductor was Mr. William Bushnell.

The Hi-Y sponsored an unusual dance on February 20, the "Roaring 20's Ball", with entertainment provided by members of the organization, "The Plaids" and "The Three Beans." The dancers came dressed in the popular fashion of the 1920's.

In the month of February, Coach William Kidd announced his resignation, terminating fourteen years of fine service to the school. During Mr. Kidd's years as coach he had a record of 84 wins, 48 losses, and two undefeated seasons. He will remain on the teaching staff. We would like to express our appreciation for his numerous contributions to our athletic depart-

ment. Also during February, we were entertained by Aunt Jemima of the Quaker Oats Company, who sang several well-known selections closing with "You'll Never Walk Alone." On February 21st, the band attended the yearly dance sponsored by the band parents and held at Union Country Club. After enjoying a delicious meal, the members shared an exciting evening of square dancing.

Two seniors, Joe Rieker and Dan Knisely, were finalists in the National Merit Scholarship Tests given last year. The tests were given to this year's juniors March 7. In the Ohio General Scholarship Tests which were also given this year, five N.P.H.S. students placed in the top ten in the county, including, in addition to Joe, Jim Brindel, Ralph Rapp, Tom Wilson, and Liz Gibson.

The Senior Class Play was presented March 14 and 16 to the students, and March 17 to the public. The leading roles were played by Lynda Lukens, Calvin Mutti, Bob Haney, and Joyce Carroll. This three act comedy, "Father of the Bride", portrayed the confusion which preceded

the marriage of Kay Banks (Lynda) and Buckley Dunstan (Calvin). With the skillful advice of Mrs. Carroll and student director Janet Quimby, the actors did an excellent job and the play was an outstanding event.

The Science Fair and Exhibit was held March 21 and 22 in the gym, including exhibits from all courses in the curriculum. Of the projects judged, twenty-four received superior ratings, two of which were given state superior ratings in the district and were sent to Cincinnati for the state competition.

"Wonderland by Night" was the theme for the Spring Formal on March 25, sponsored by the Tri-Hi-Y. Music was furnished by the Hi-Fi's.

The month of May brought a close to school activities for the Senior Class. Class Day was observed by seniors on May 31. The Junior-Senior Prom, held in the school gym, offered pleasant memories to all who attended. Baccalaureate Services were June 4. With activities at an end, the seniors proudly received their diplomas June 6. Switching their tassels, they briefly glanced back at the past, then looked to the future.
